Pharmacy Day at the Capitol

APhA-ASP would like to thank all the students, faculty members, and local pharmacists who participated in this year's Pharmacy Day at the Arizona State Capitol. We were able to send 115 letters to legislators which surpassed our original goal of 100 letters! This year UA pharmacy students advocated for medication synchronization, immunization expansion, and collaborative practice agreements. We had a wonderful turnout in which over fifty legislators attended the event! We look forward to another successful PD@C next year!

The University of Arizona APhA-ASP chapter will be hosting a Bachelor/Bachelorette Auction again this year! At this event 14 pharmacy students will be auctioned off.

All proceeds received from the auction will be donated to Tu Nidito, a resource for children and families that have been affected by a serious medical condition or death. This organization works toward improving the Tucson community, and approximately 90 cents per dollar donated is directly used to support local families.
