Sept/Oct 2014

Volume 3 Issue 4

Pharmacy Day on the Mall 2014

APhA-ASP would like to thank everyone who participated in this years Pharmacy Day on the Mall! It was a huge success. Each year, student pharmacists from APhA-ASP and the

University of Arizona get together to provide health screenings and inform the public what we as pharmacists can do to improve patient care. This years booths included diabetes screenings, hypertension screenings, informational booths for over-the-counter medications and sexual health, and many more!

APhA Midyear Regional Meeting

APhA-ASP Midyear Regional Meetings (MRMs) are held every fall for each of the APhA-ASP regions across the country. The MRMs are the only meetings in the U.S. designed exclusively for student pharmacists. These meetings offer great networking, professional and leadership development, educational programming, and much more! In addition, the APhA-ASP Policy Process officially starts at the MRMs and Regional Officers elections are conducted. This year, APhA MRM will be held in Scottsdale AZ from October 31st-November 2nd. Deadline to register is October 17th, 2014.
